The tool protects them from offensive or not recommended websites in order to safeguard the moral integrity of students, and to enforce the ideology of Colegios Laude S.L.U. Unless otherwise provided by the relevant authority, and subject to verification by the School, any communication, writing, authorisation or any other documentation from the school relating to the education of the Pupil shall be signed only by the parent who has custody of the child. When custody is shared, the signature of both parents will be required on all school documentation. Legal Guardian: It is required that all non-EEA international Pupils, whose parents reside outside the country where the Pupil is studying, have a legal guardian in that country who has been given legal authority to act for and on behalf of the Parents in all respects and with whom the School will liaise. The School will not accept any responsibility during School vacations in relation to Pupils whose Parents are resident abroad. Parents and/or legal guardians of such Pupils must make appropriate

PARENT CONTRACT

arrangements in relation to holiday periods, including travel to and from the School. The responsibility for the correct choice of a legal guardian rests solely with the Parents, who shall also be solely responsible for the suitability of the legal guardian and shall provide the School, prior to the start of the school year, with the contact details of the appointed legal guardian.

- 47. The Principal's decision will be subject to review by the Board of Directors if requested by a parent, in this case Parents will receive a copy of the current review procedure. The pupil shall remain outside the School pending the outcome of the review.

82. Fees during/after expulsion: If the Pupil is expelled, there will be no refund of fees for the current or past months. All arrears of fees and any other sums owed to the School shall be due and payable.

83. Expulsion under other circumstances: The School may request the permanent or temporary expulsion of the pupil during the term or at the end of the term, if so decided by the Principal, as a consequence of misconduct, or lack of interest in the opportunities offered to the pupil by the School. It will also be grounds for expulsion of the pupil if the parents deal unjustly with the School which, while not constituting a breach of the School Rules, is aimed at or intended to damage or harm the School or its staff. The Principal shall act with procedural fairness in all such cases, and shall take into account the interests of the pupil and parents, as well as those of the School. The decision of the Principal shall be subject to review by the Board of Directors if

PARENT CONTRACT

requested by a parent, in this case Parents will receive a copy of the current review procedure. The student shall remain outside the school pending the outcome of the review.

84. Fees after expulsion for other circumstances: If the pupil is expelled or decides to leave the School under the circumstances described above, the same fee regulations apply as for expulsion (see clause 82).

85. Withdrawal: When a Pupil is "Withdrawn" from the School register, the reason for the withdrawal shall be specified in writing by submitting the withdrawal form, to be requested at the School's office, and the date of the withdrawal shall be entered in the Pupil's file. These and other matters pertinent to the Pupil's withdrawal may be discussed with the Principal, parents and, if applicable, the Pupil, once the decision has been notified for the purpose of continuous improvement and correct running of the School.

86. Complaints Procedures: A complaint about any matter about the School's policies or administration does not imply a decision to expel or remove the Pupil, it must be made in accordance with the complaints procedure available at the School, a copy of which is available on the School's website or upon request at the School. Every reasonable complaint shall receive fair and proper consideration and a timely response.

H. NOTICE PROVISIONS

See also section F and section G.

87. Notice (as defined above, cl. 22): It shall be given by Parents (unless the contrary is stated in these Terms and Conditions) by all who have signed the Registration Form given before the first day of the last term the Pupil plans to attend the School. This should be addressed to and received by the

Principal and/or the Head of Admissions on the Principal's behalf. It is expected that Parents will consult with the Principal before giving notice to withdraw the Pupil.

88. 60 Natural Days' Notice must be given by Parents who wish to cancel a place which they have accepted, or if Parents wish to withdraw the Pupil who has entered the School; or if, following Year 11 (4°ESO) or Year 12 (1°BACHillerato), the Pupil will not return for the following year even if he/she has achieved the required grades; or the Pupil wishes to discontinue extra tuition.

89. Fees in lieu of notice: It means full Fees for the current month the student is attending, and the next month that would have applied if the student had attended and not limited to the parental contribution in the case of a scholarship or other award or grant. This rule is necessary to promote stability and the ability of the School to plan its staffing and other resources.

90. Cancellation: It means cancellation of a place at the School which has been accepted by the Parents, which is made prior to the Pupil's entry to the School or in the event that the Pupil does not enter the School. See clause 9 for details of entry into the School.

91. Cancellation of an accepted place before entry: Cancellation of a place after acceptance and before the date of entry may cause the School a long-term loss as the School may not have been able to allocate that place to another applicant. However, the School agrees to limit the Parents' liability to Registration and Enrolment fees, without the right to a refund for either item. Special consideration may be given to cases of serious illness or hardship upon written request.

92. Withdrawal: It means the withdrawal of the Pupil from the School by the Parents, with or without the notice required by this contract, at any time after the Pupil's entry into the

PARENT CONTRACT

School. To make the withdrawal effective, it must be notified in writing to the School by means of a withdrawal form requested to the School management, otherwise the charges corresponding to the School fees will continue to be made as normal. This may result in an overdue payment if not settled.

93. Withdrawal caused by Parents: If the Pupil withdraws with a notice of withdrawal of less than 60 natural days' notice or is suspended for non-payment and more than twenty-eight (28) days have elapsed since the date of payment of the Fees, the fees in lieu of notice (cl. 89) will be immediately due and payable as a debt at the rate applicable to the term in question.

94. Withdrawal by Pupil: The Pupil's decision to withdraw from the School shall, for these purposes, be treated as a withdrawal by the Parents.

95. Withdrawal due to exceptional circumstances: Pupils are considered to be withdrawn due to exceptional circumstances when they pass away or suffer a serious accident that prevents them from returning to classes for an indefinite period of time. In this regard, parents will be responsible for paying all fees due up to the date of the incident, the mere notification of the facts being sufficient cause for no additional charge to be made.

96. Prior Consultation: It is expected that Parents, or duly authorised education guardian, will in every case consult personally with the Principal or with the Principal's authorised Deputy or Head of Admissions before notice of withdrawal is given by the Parents.

97. Discontinuing Additional Services, for example the after-school activities: The Parents must give at least one month's prior written notice to discontinue additional charges. Otherwise, the Fees for the additional or extracurricular services will be

considered as a debt unless there are other arrangements with the School.

98. Termination by the School: The School may terminate this agreement with twenty-eight (28) natural days notice in writing sent by regular mail /email or immediately in case of permanent expulsion. The School will not terminate the contract without good cause and without consultation with the Parents and the Pupil (in case of sufficient maturity and understanding). The School has the right to terminate the contract, whenever any clause contained in it, or in any of our policies, has been breached by the Parents or the Pupil.

L. FEES

99. Meaning: "Fee" and "Fees" used in these Terms and Conditions include among others, the following charges where applicable: Registration Fee, Enrolment Fee, Re-enrolment Fee, Tuition Fees; Fees additional services; such as lunch (if applicable), uniform, books (if applicable), curricular activities (if applicable), School support, School trips, morning class, Saturday School, after School activities, educational licences (if applicable), re-billing of equipment such as calculators or flutes (if applicable), examination fees, international programme abroad, residence (if applicable), summer School, photographs and other items ordered by parents or Pupil, and other expenses incurred for educational visits as well as damage caused intentionally by the Pupil, acting alone or with others, to the property of the School or the property of others (excluding wear and tear) and late payment charges where applicable.

100. Payment: The Parents agree to pay directly to the School the Fees applicable to each month or year in respect to the School year, unless the Parents and the School have entered into a separate agreement for the

PARENT CONTRACT

deferral of payment of the Fees. The monthly payment of School fees must be paid by direct debit through a SEPA account within the first five (5) days of each month. The corresponding bank details will have to be provided at the time of registration at the School.

If parents opt for annual school fee payments to avail of potential discounts, it's essential to note that withdrawing a pupil before the school year concludes will result in a refund for the remaining months, minus any applicable annual payment discounts. Moreover, failure to provide a term's notice of withdrawal will incur fees in lieu of notice, which will be deducted from the refundable amounts.

If any item on the invoice is subject to consultation, the balance of the invoice must be paid and subsequently proceed with the claim. Checks and other payment instruments delivered after the first day of the School term will not be considered as payment until cleared. If a direct debit is returned by the bank, additional charges will be incurred.

101. Payment of Fees by a Third Party: An agreement with a third party (such as an employer, grandparent or step-parent without parental responsibility) to pay the Fees or any other sum due to the School does not release the Parents from liability if the third party defaults and does not affect the operation of any other of these Terms and Conditions unless an express release has been given in writing, signed by the School. The School reserves the right to refuse a payment from a third party.

102. Refund / Waiver: Fees will not be refunded or waived for absence through sickness; or if a term is shortened or a vacation extended; or if a Pupil is released home before or after public examinations or otherwise before the normal end of term; or if the School is temporarily closed due to

adverse weather conditions or for any cause other than exceptionally and at the sole discretion of the Principal in a case of genuine hardship or where there is a legal liability under a court order or under the provisions of this contract to make a refund. This rule is necessary so that the School can properly budget for its own expenditure and to ensure that the cost of individual default does not fall on other Parents. Separate rules (set out in Section G above) would apply if the Pupil is expelled or removed. See also Section J for information about the rules on events beyond the control of the parties.

103. Suspension for Non-Payment: The right is reserved to suspend the non-obligatory educational service to the Pupil, school trips, additional exams, extra-curricular activities, upon three (3) days written notice if full payment of fees are not made. Suspension for these reasons is not a disciplinary matter. A Pupil who has been suspended from the educational service for Non-Payment of Fees shall be considered terminated without further notice from the School, twenty-eight natural (28) days after the Suspension for Non-Payment provided for in this section, and the provisions of section "H" shall apply in such a scenario with regard to "Fees in lieu of notice".

Please note, that having the Pupil at school during periods of non-payment with the corresponding educational service suspended could have psychological consequences for the child and lead to possible discrimination. For this reason, the child must remain at home until payment has been received or an agreement with the School reached.

Additionally, it should be noted that the school reserves the right to re-enroll a Pupil in case of outstanding debts at the start of the next academic year.

104. Late Payment: Unless there are alternative provisions for the payment of interest in a

PARENT CONTRACT

separate consumer credit agreement between the Parents and the School, simple interest may be charged on unpaid Fees on a daily basis. The rate of interest charged shall be up to 3% per month, which shall accrue daily and which is an actual pre-estimate of the cost to the School of non-payment. Parents shall also be responsible for the payment of all costs, fees and expenses, including legal fees and expenses reasonably incurred by the School in recovering unpaid Fees.

105. Partial Payment: The School will accept amounts less than the full amount due only as payments on account. Any late payment charges will be applied to reduce outstanding fee balances where applicable. It is possible for parents and the School to agree on a specific, one-time payment plan in accordance with the provisions of clause 107.

106. Appropriation of Fees: The Parents agree that a payment made in respect of one child may be appropriated by the School to the unpaid account of any other child of those parents.

107. Instalment Arrangements: An agreement by the School to accept payment of current and / or past and / or future Fees by instalments is concessionary and will be subject to separate agreement/s between the Parents and the School. Where there are inconsistencies between these Terms and Conditions and those of any instalment agreement or invoice issued by the School to the Parents (as applicable), the terms and conditions of the instalment agreement or the invoice shall prevail.

108. Fees in Advance: Schemes under which a lump sum advance payment of Fees is made by or on behalf of the Parents will be the subject of a separate agreement. If Parents wish to make an advance payment, please contact the Administration Office for further details. Please note that in any case, the Re-

enrolment Fee must be paid on the basis of the conditions described in these terms and conditions (clause 16).

109. Scholarships, Bursaries and Discounts:

Every scholarship, bursary or other award or concession is a discretionary privilege, subject to high standards of attendance, diligence and behaviour on the Pupil's part and to the Parents treating the School and our staff reasonably. The terms on which such awards are offered and accepted will be notified to Parents in writing at the time of offer.

110. Fee Increases: Fees are reviewed annually and are subject to increase from time to time. If less than a term's notice is given of a Fee increase, notice of withdrawal given within 21 days after notice of the increase was received will not incur in Fees in lieu of notice (cl.89).

111. Money Laundering: In some circumstances the School will need to obtain satisfactory evidence (such as sight of a passport) of the identity of a person who is paying Fees. Due to the Spanish Money Laundering Prevention Laws, the School is also unable to accept payment of Fees in cash, except for those whose concept is not equal to or greater than the legal maximum amount (€1000).

J. EVENTS BEYOND THE CONTROL OF THE PARTIES

112. Force Majeure: An event beyond the reasonable control of the parties to this agreement is referred to below as a "Force Majeure Event" and shall include such events as an act of God, fire, flood, storm, war, riot, civil unrest, act of terrorism, strikes, industrial disputes, outbreak of epidemic or pandemic of disease, failure of utility service or transportation.

113. Notification: If either party to the Agreement is prevented from or delayed in carrying out its obligations under this Agreement by a Force Majeure Event, that

PARENT CONTRACT

party shall immediately notify the other in writing and shall be excused from performing those obligations up to ninety (90) days from the time of the notification.

114. Continued Force Majeure: If a Force Majeure Event continues for a period greater than ninety (90) days, the party who has provided notification under clause 113 above shall notify the other of the steps to be taken to ensure performance of this Agreement.

115. Termination due to Force Majeure Events: If the Force Majeure Event continues for a total period greater than one hundred and twenty (120) days, the party in receipt of notification under clause 113 may terminate this agreement by providing at least three (3) working days' notice in writing to the other party.

K. GENERAL CONTRACTUAL MATTERS

116. Management: It is our intention that the Terms and Conditions will always be operated so as to achieve a balance of fairness between the rights and needs of parents and Pupils, and those of the School community as a whole. We aim to ensure that the School, its culture, ethos and resources are properly managed so that the School, its services and facilities can develop. We aim also to promote good order and discipline throughout our School community and to ensure compliance with the law.

117. Legal Contract: The offer of a place and its acceptance by the Parents give rise to a legally binding contract on the terms of these Terms and Conditions.

The School reserves the right to take any legal action it may be entitled to in the event of non-payment of the Fees by the established deadline, as well as in the event of non-compliance with any other obligations under this document.

118. Data Protection: By signing the Registration Form or agreeing to be bound by these Terms and Conditions, Parents and guardians in their own names and on behalf of the Pupil authorize the School to process all personal information, including personal financial and sensitive information deemed necessary for the legitimate needs of the School. This information includes copy of parents' and Pupil's passport/identity card, copy of parents' NIE number or residence card, parents' and Pupil's date of birth, parents' and Pupil's contact details (address and phone number), Pupil's health details, bank details for direct debit, copy of custody agreement (if applicable) Parents undertake with the School to keep the data permanently up to date.

119. Change: This School, as any other, is likely to undergo a number of changes during the time your child is here. For example, there may be changes in the staff, and in the premises, facilities and their use, in the curriculum and the size and composition of classes, and in the School Rules and procedures, the disciplinary framework, and the length of School terms. In addition, there may be the need to undertake a corporate re-organisation exercise and/or a merger or change of ownership may be necessary. For these reasons, the benefit and burden of this agreement may be freely assigned to another party at the discretion of the School. Fee levels will be reviewed each year.

120. Consultation: It is not practicable to consult with parents and Pupils over every change to the School's operations or activities that may take place. Whenever practicable, the School will use reasonable endeavours to ensure that parents will be consulted and where possible given at least a term's notice of a change of policy, change in any physical aspect of the School which would have a significant effect on their child's education or pastoral care, or a change of ownership. For

PARENT CONTRACT

example, notice would be given to remove a subject from the curriculum.

121. Consumer Protection: Care has been taken to use plain language in these Terms and Conditions and to explain the reasons for any of the terms that may appear one-sided. If any words above or in combination, infringe the Ley General para la Defensa de los Consumidores y Usuarios in Spain or any other provision of law, they shall be treated as severable and shall be replaced with words which give as near the original meaning as may be fair.

122. Representations: Our prospectus and website describe the broad principles on which the School is presently run and gives an indication of our history and ethos. Although believed correct at the time of publication, the prospectus and website are not part of any agreement between the Parents and the School. Parents wishing to place specific reliance on a matter contained in the prospectus, website, or a statement made by a member of staff or a Pupil during the course of a conducted tour of the School or a related meeting should seek written confirmation of that matter before entering this agreement.

123. Third Party Rights: Only the School and the Parents are parties to this contract. Neither the Pupil nor any third party is a party to it. The acts and omissions of Parents are binding on the Pupil and vice versa as to any matter of behaviour, discipline and fees. All requests and authorities by the Parents are treated as being made on behalf of the Pupil and vice versa.

124. Interpretation: These Terms and Conditions supersede those previously in force and will be construed as a whole. Headings, unless required to make sense of the immediate context, are for ease of reading only and are not otherwise part of the Terms and Conditions. Examples given in

these Terms and Conditions are by way of illustration only and are not exhaustive.

125. Jurisdiction: This contract was made at the School and is governed exclusively by the Spanish courts and Spanish law according to the Spanish Consumer Protection Law. It shall be understood that the courts responsible shall be those corresponding to the address according to the school where the child is enrolled.

126. Modifications of clauses in these Terms and Conditions: The fact that one or more clauses of this contract are modified or declared null, and void shall in no case imply the nullity of the contract as a whole, the rest of the stipulations remaining in full force and effect.
